

Handheld flares

White

These handheld flares are designed to give maximum output from a minimum size container.

The white IKAROS handheld flare acts as a warn-off signal and is used by vessels and pleasure craft.

The flares have been developed from the IKAROS parachute flare, which is known to be the best in the world. The case is made of corrosion-resistant steel and carries clear and simple instructions for use.

- ▶ Maximum output, minimum size
- ▶ Corrosion resistant steel case
- ▶ Excellent light intensity
- ▶ Globally approved
